Sir,

With reference to your Official Memo. No. 341 of 16th July 1906, re the repairing of Dattatreyaswamy Temple on Dibbagiri Hills in the Devanahalli Taluk, I have the honor to state that the Sub-Divisional Officer to whom the matter was referred states in his No. 378 of 14th December 1906, that the Temple is --- apparently an ancient institution and is held in great veneration by the public being locally known by the name of Dakshina Kasee (Southern Powers). It consists of temples of Iswara, of Ammanavaru of Veerabhadraidevaru and of Nandikesvara and has a number of out houses. The temples of Iswara and of Ammanavaru are in fair condition but the roofing leaks very badly and has to be repaired with good concrete. The shrines of Veerabhadraidevaru and Nandikesvara are in dilapidated condition. That it would be sufficient for the present to repair the temples of Iswara and Ammanavaru completely and also the inner shrines of the temples of Veerabhadraidevaru and Nandikesvara. The estimate prepared by the Tank Inspector amounts to Rs. 938/- This is the least amount that will be required if the temples are to be put to any fair order, which are well worth preserving. He also states that the temple enjoys a very insignificant income and that no contribution can be expected from the devotees for the repairs of the temple.

Under the above circumstances, I request that you will be so good as to accord sanction for the execution of the work and the charges

charges met from the State Funds.

3. The entire file of vernacular papers are herewith
forwarded for reference and kind return.

I have the honor to be
